5. The preferential time deposit interest rate are one-time offers for each time deposit and the subsequent renewal rates of time deposits will be subject to the rates quoted by the Bank from time to time.
6. A deposit, which would otherwise mature on a non-business day, matures on our next business day. If customers uplift the time deposit before maturity, customer need to pay the handing fee , please refer to the "General Banking Services Charges / Loan Services" and "Deposit Confirmation" for details.
7. The above offers are limited and on first-come-first-served basis.
8. The above products and offers are subject to the relevant terms and conditions. For details, please refer to our website or contact the staff of the Bank.
9. The Bank reserves the right to amend, suspend or terminate the above offers, and to amend the relevant terms at any time at its sole discretion without prior notice.
10. In case of any dispute, the decision of the Bank shall be final.
11. For any enquiries, please contact our customer service hotline: (852) 2232 3625.
12. Should there be any discrepancy between the English and Chinese versions of this terms and conditions, the Chinese version shall prevail.

Risk Disclosure of Foreign Currency Trading: Foreign currency investments are subject to exchange rate fluctuations which may provide both opportunities and risks. The fluctuation in the exchange rate of foreign currency may result in losses in the event that the customer converts the foreign currency into HKD or other foreign currencies. Currency exchange is also subject to cost (being the spread between the buy and sell of relevant currencies).

Conversion Limitation Risk of RMB: RMB investments are subject to exchange rate fluctuations which may provide both opportunities and risks. The fluctuation in the exchange rate of RMB may result in losses in the event that the customer converts RMB into Hong Kong dollar or other foreign currencies. (Only applicable to Individual Customers) RMB is currently not fully freely convertible. Individual customers can be offered CNH rate to conduct conversion of RMB through bank accounts and may occasionally not be able to do so fully or immediately, for which it is subject to the RMB position of the banks and their commercial decisions at that moment. Customers should consider and understand the possible impact on their liquidity of RMB funds in advance. (Only applicable to Corporate Customers) RMB is currently not fully freely convertible. Corporate customers that intend to conduct conversion of RMB through banks may occasionally not be able to do so fully or immediately, for which it is subject to the RMB position of the banks and their commercial decisions at that moment. Customers should consider and understand the possible impact on their liquidity of RMB funds in advance.
